The following further Report of the Select Committee on the Bill to amend the law relating to the Tenancy of Land in the Punjab was presented to the Council of the Governor-General of Iudia for the purpose of making Laws and Regulations on the 7th September, 1887:

WE, the undersigned, Members of the Scient Committee to which the Bill to amend the Law relating to the Trancy of Land in the Punjab was re-committed, have re-considered the Bill and have now the honour to submit this further Report. The alterations which we have Bill and have now the honour to submit this further Report. made are indicated in italics in the revised Bill annexed to this Report.

2. We have converted the provisions of the Bill relating to the operation of records-of-rights and agreements into a separate Chapter at the end of the Bill. In re-arranging these provisions we have in some respects followed more closely the language of the Punjab

Tenancy Act, 186%.

3. The addition which we have made to the definition of "land," in section 4 has reference to water-mills, which in some cases would not be covered by the word "buildings".

We have also brought the definition of "land-revenue" more nearly into accord with the

- definition of that term in the Land-revenue Bill.

 d. On the suggestion of the Hou'ble Nawah Nawazish Ah Khan, we have proposed that, where a right of economicy under clause (c) of section I of the Act of 1863 does not already exist at the time when the Act of 1887 comes into force, it shall not be acquired under section 5 of the latter Act if the landlord can prove that the tenant was settled on land previously cleared and brought under cultivation by or at the expense of the person by whom he was settled thereon.
- 5. On the suggestion of the same gentleman we have provided in sections 18, 29, 21 and 62 for the case, which occasionally occurs in the Panjab, of rents in gross being payable in kind.

In section 24 we have provided for rent being enhanced at any time on the extension of irrigation to land previously dry.
7. In section 27 we have provided for the case of an alteration of rates and cases, as well

as of land-reviews.

8. In section 60 we have proposed that an irregular transfer of a right of company be only voidable at the instance of the landlord instead of being absolutely void.

9. We have made section 71 applicable not only to a tenant from year to year on whe a notice has been served under section 40, but also to any tenant on where a notice factor for the served under section 44.

- 10. In section we have proposed to make the revisional powers of the Financial Commissioner over the proceedings of Revenue Courts and Revenue-officers co-extensive with those for the time being examiseable by the Chief Court over the proceedings of Civil Courts.
 - II. The other amendments are not such as to call for remark.
- 12. The Bill (No. II) and Report were published in English in the Gazette of India of the 30th July, 1827, and in the Punjab Government Gazette of the 4th August, 1887, and are to be published in Urdu in the Punjab Urdu Gazette of the 8th instant.
- 18. The Bill has not, in our opinion, been so altered as to require re-publication, and we recommend that it be passed as amended by us.

We, the undersigned. Members of the Select Committee to which the Bill to amend and declare the Land-revenue Law of the Punjab was re-committed, have re-considered the Bill, and have now the honour to submit this further Report. The alterations which we have made are indicated in italies in the givined Bill annexed to this Report.

2. Having regard to the close connection between the subject-matter of this Bill and that of the Punjab Tennney Bill, we consider it advisable to assign to the words "rent", "toquay", "landlord" and "tennney" in this Bill the meanings which they respectively have in the other Bill.

3. We have inserted in the provise to section 16 words which bring the provise substantially into accord with sub-sections (5) and (6) of section 81 of the Tenancy Bill as amended by us.

- 4. In acction 117, sub-section (2), we have provided for the determination, by the Revenue-officer as a Revenue Court, of certain questions within the jurisdiction of a Revenue Court which may arise in proceedings for the partition of a tenancy in which a right of occuepancy subsists.
- 5. To section 150 we have added a sub-section to the effect that the proceedings of a Revenue-officer for the prevention of ancroachment on common lands are to be subject to any decree or order which may be subsequently passed by any Court of competent jurisdiction.
- In section 158 we have inserted a clause specially excluding from the jurisdiction of Civil Courts questions relating to village-cesses.
 - 7. The other amendments are not such as to call for remark.
- 8. The Bill (No. II) and Report were published in English in the Gazette of India of the 80th July, 1887, and in the Punjab Government Gazette of the 4th August, 1887, and are to be published in Urdu in the Punjab Urdu Gazette of the 8th instant.
- 9. The Bill has not, in our opinion, been so altered as to require re-publication, and we recommond that it be passed as amended by us.
